

The **Harrison Mills Regional Association** Executive wishes to inform the membership of the passing of our President and friend Al Roberts.

Al passed quietly and without stress in his sleep at his home in Harrison Mills December 17 2016.

Al was the instigator and a founding member of the **HMRA**. He took a strong role in all things Harrison Mills and was one of the most community minded people in the area.

Al was the personification of volunteerism he not only gave his time and talents to the **HMRA**, he also volunteered for the **Eagle Festival**, the **CERT (Community Emergency Response Team)** program (an organization designed to bring emergency service to the area} he acted as a member of the *Citizens Advisory Committee* for the *Kwikwexwelhp Healing Village* where he was given the honor to be “*blanketed*” by the Village.

Despite the fact Al had mobility challenges, Al gave freely of his life and time to causes he felt were beneficial to the community, and you could count on him for an emergency lift to anywhere. He always had an open ear and made time for idle chit chat if that was what was needed.

The Harrison Mills Community will miss Al and those of us who had a personal relationship will feel his loss for many years.

Al was a good man who did good things in a good way for the right reasons.

There will be a:
